

Major Planned Projects for 2016

Bike and Pedestrian Master Plan

- A grant application is due by January 29th for a 1:1 match grant up to \$20,000.
- Will work with Engineers and Town staff to create a Bike and Pedestrian Master Plan

TIGER Grant

- Will move forward in 2016 with applying for the TIGER grant to seek funding for a pedestrian bridge over I-65. In the past the Application Process has opened in April with final application due in June. \$500 million has been appropriated to this grant fund for 2016.

Farm Heritage Trail

- Completion of the current portion should be completed in Spring.
- Currently looking to use remaining BNT funds to acquire land needed to connect to Zionsville.
- Plan to sit this Spring with Lebanon and come up with a plan to establish that connection.

DNR Grants

- RTP is available once we close out the Farm Heritage Trail in Spring. Grant applications due by May 1st. Project yet to be identified.
- LWCF funding has increased and applications are due June 1st. Project yet to be identified.

Community Center Feasibility Study

- Pending Council approval and funding.
