RE: Community-wide Bicycle and Pedestrian Master Plan Grant Application

Dear Mr. Fritz,

The purpose of this letter is to express to the ISDH/DNPA that the Town of Whitestown is committed to developing a Community-wide Bicycle and Pedestrian Master Plan if it is selected for 2016 Grant Funding.

The Town has experienced and will continue to experience rapid growth in the upcoming years. The Town has been proactive in its planning for that growth and this Master Plan will be one more step in that process. The Town will dedicate a local dollar for dollar match of \$20,000 for this project if chosen.

Should you have questions or need additional information, please contact myself or Nathan Messer, our Parks & Recreation Director.

Town Council Vice President
