

WHITESTOWN ANNUAL COMMUNITY EASTER EGG HUNT

Saturday, March 30
10:00 A.M.

At Walker Farms Park and Trails

The Whitestown Parks and Recreation Department is hosting the annual Community Easter Egg Hunt on March 30, 2013 at 10am located at the Walker Farms Park and Trails. This event brings together the community and allows all children ages 0 to 11 years old the ability to be able to hunt Easter Eggs as well as a chance to win a gift basket.

Each year the Whitestown Parks and Recreation Department strives to make and create community events that are fun, safe and enjoyable during the year. This annual event is growing bigger each year! We are asking for the community to help us keep this event going and make this event memorable for all ages.

We are hoping that with the help of volunteers, members and local business sponsorships, we can make this the biggest Easter egg hunt yet. Volunteers are needed to fill Easter eggs and day of the event with setup and take down. With sponsorship and donations it will help fill the eggs with candy, treats as well as create gift baskets. We are optimistic that you will help us succeed with this event. With the populations of Whitestown steadily increasing, the Community Easter Egg Hunt should be the biggest one yet. If you are able to donate we will place your business name on a banner showing who helped sponsor this event.

Please have any donations to Town Hall prior to March 19, 2013. Any checks will need to be payable to "Whitestown Parks".

Thank you for your time and consideration.
