RE: Engineer's Recommendation for BACA Road Improvements Project

Dear Board:

We have reviewed the bids received for the above noted project on August 5, 2016. Following is a detailed explanation for the base bids and the associated Engineer's recommendation. A bid tabulation is attached with this letter

Five bids were received for the BACA Road Improvements project. All bids contained the required documents. The bids ranged from a low Base Bid of \$417,050.00 by Eagle Valley Inc. to a high Base Bid of \$519,629.00 by Atlas Excavating. The Engineer's estimate for this project was \$408,690.00. We find the bid of Eagle Valley Inc. to be in order for the unit price bid. Based upon our review, we recommend that the Town of Whitestown award the proposed project to the lowest, responsive and responsible bidder, Eagle Valley Inc. for the base bid amount of \$417,050.00.

If you have any questions, please feel free to contact us.

Sincerely,

MIDWESTERN ENGINEERS, INC.

Mark M. Sullivan, P.E.
Sr. Project Engineer
