There is nothing like this within the State of Indiana and in doing research, I did not find anything available to the public on this level in the U.S.. We hope this will encourage the public to continue golf training throughout the year and enjoy the amenities we can offer." Rubenstein is encouraged that the facility is multi-use for instruction, recreation, family outings, parties and corporate team building.

The Academy is open seven days a week with typical hours of 9:00 a.m. — 9:00 p.m. with extended hours for specific sporting events and special events.
