Old Business:

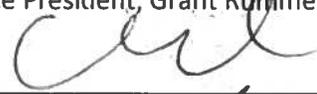

- a) Movie nights—Stephanie discusses movie night cancellation of the last three movie nights in the park due to threat of weather, and that it will be discussed at the next Town Council meeting a rescheduling of the movie nights at the new Town Hall location for this fall. Sponsors are expecting them to be complete this year, Nathan states. Discussion ensues. Stephanie will contact Swank Movies to determine if there are any licensing restrictions on when the movies can be shown.
- b) National Night Out—Stephanie gives a total of snow cone and popcorn give aways, a total of 486 snow cones and almost an entire case of (24) popcorn was distributed. Discussion of the zip line location ensues.
- c) Farm Heritage Trail—Stephanie gives an update that Town Council agrees the FHT should be paved its entire length through Whitestown. Nathan comments that if Ronald Reagan Parkway is crossing the trail in 2017 that it should not be paved for that portion or risk being a misuse of funds, since the county would have to redo that section of the trail regardless. Dax Norton states for the record the trail will go over the road as opposed to under the road. Discussion ensues.
- d) 5K Walk/Run—sponsorships are discussed. Nathan requests Stephanie post on social media advertisements for the 5K to generate potential sponsors. T-shirt orders are also discussed.
